

We recently did some work on our house including gutting the kitchen, bathroom and replacing the patio and moving the oil tank.

We used Dave Fitzgerald to do all the work. We found Dave very easy to deal with; he always took our calls, returned e-mails and was a pleasure to deal with.

He also came up with some great ideas which enhanced the work we were doing.

All the work was done on time and to a very high quality, he arranged the plumber, electrician and tiller and co-ordinate all works which made the job very painless for us.

The house was left clean and all rubbish removed.

Dave was a pleasure to deal with and we would have no hesitation in recommending him.
